Figure S1. Flowcharts summarising the process of data cleaning in each country (China, India, Ghana, Russia, Mexico, South Africa)

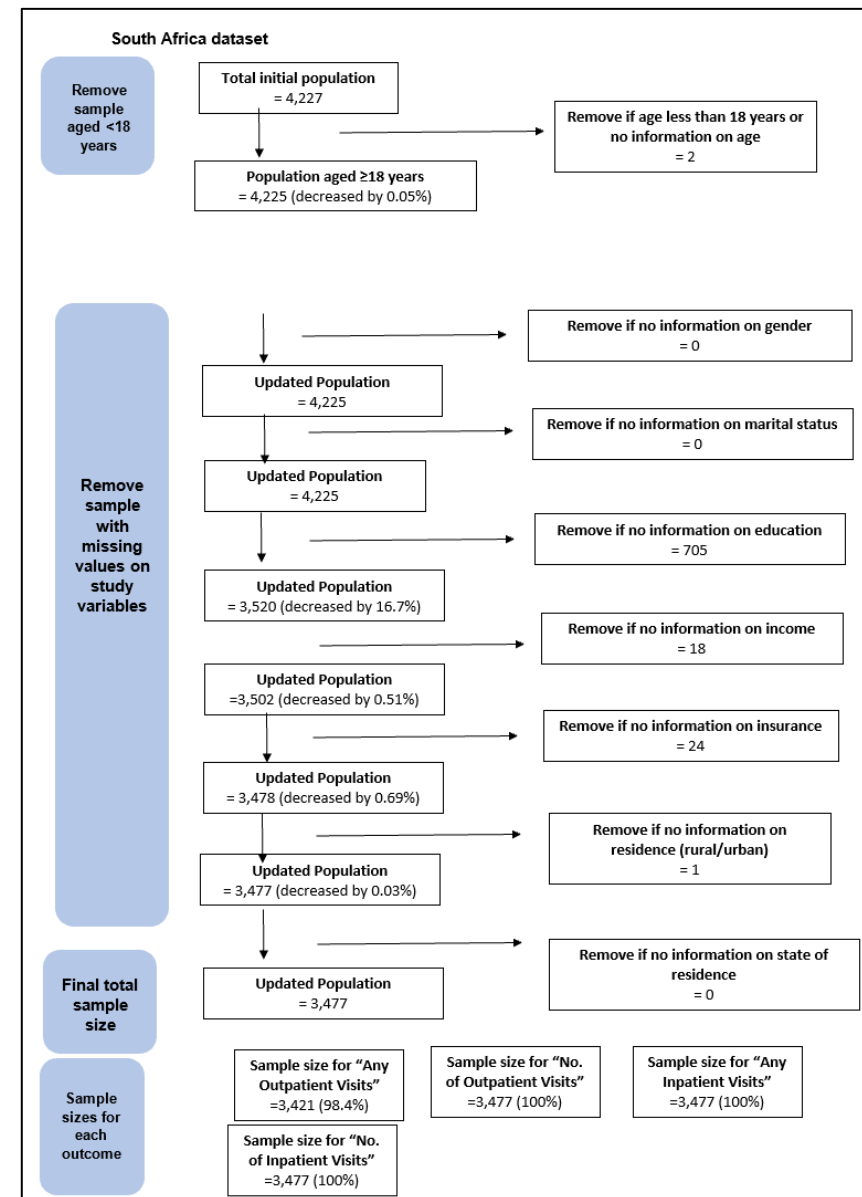

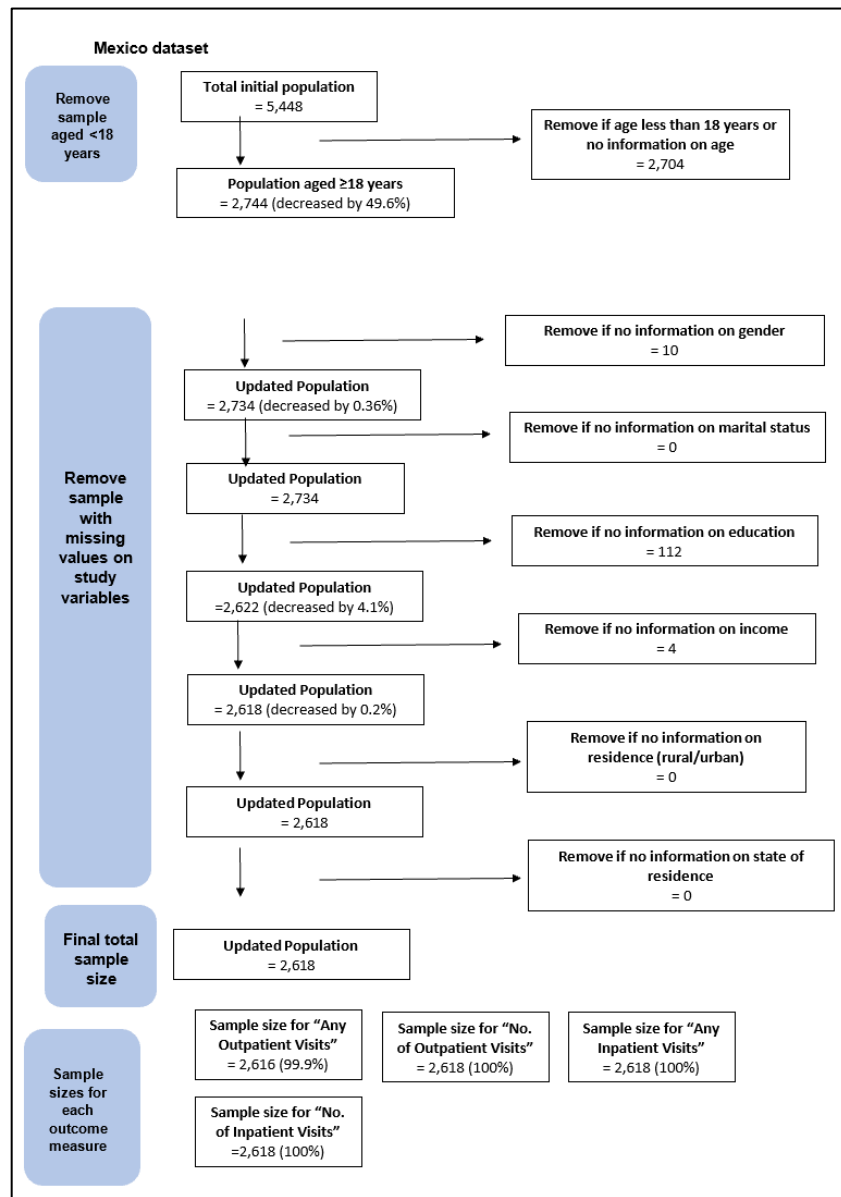

Table S1. Algorithms used to ascertain NCD presence

NCDs	Self-reported diagnosis	Biomarkers/Symptom-based Assessment	Algorithm
Hypertension	Have you ever been diagnosed with high blood pressure?	Take average of three blood pressure readings. High blood pressure is defined as systolic blood pressure ≥ 140 mmHg and diastolic blood pressure ≥ 90 mmHg.	High blood pressure is defined as systolic blood pressure ≥ 140 mmHg and diastolic blood pressure ≥ 90 mmHg.
Stroke	Have you ever been told by a health professional that you have had a stroke?	No symptom-based assessment	No symptom-based assessment
Diabetes	Have you ever been diagnosed with diabetes?	No symptom-based assessment	No symptom-based assessment
Cataract	In the last 5 years, were you diagnosed with a cataract in one or both of your eyes?	No symptom-based assessment	No symptom-based assessment
Arthritis	Have you ever been diagnosed with/told you have arthritis (a disease of the joints, or by other names rheumatism or osteoarthritis)?	<p>Qn 1: During the last 12 months, have you experienced pain, aching, stiffness or swelling in or around the joints (like arms, hands, legs or feet) which were not related to an injury and lasted for more than a month? a. Yes b. No</p> <p>Qn 2: During the last 12 months, have you experienced stiffness in the joint in the morning after getting up from bed, or after a long rest of the joint without movement? a. Yes b. No</p> <p>Qn 3: How long did the stiffness last? a. about 30mins or less b. more than 30 mins</p> <p>Qn 4: Did this stiffness go away after exercise or movement in the joint? a. Yes b. No</p>	<p>Arthritis=</p> <p>Option 'a' to both question 1 and question 2.</p> <p>OR</p> <p>Option 'a' to both question 3 and question 4.</p>
Angina	Have you ever been diagnosed with angina or angina pectoris?	<p>Qn 1: During the last 12 months, have you experienced any pain or discomfort in your chest when you walk uphill or hurry? a. Yes b. No</p> <p>Qn 2: During the last 12 months, have you experienced any pain or discomfort in your chest when you walk at an ordinary pace on level ground? a. Yes b. No</p>	<p>Angina=</p> <p>Option 'a' for question 1</p> <p>OR</p> <p>Option 'a' for question 2</p> <p>OR</p>

		<p>Qn 3: What do you do if you get the pain or discomfort when you are walking?</p> <p>a. stop or slow down b. carry on after taking a pain-relieving medicine that dissolves in your mouth c. carry on walking</p> <p>Qn 4: If you stand still, what happens to the pain or discomfort?</p> <p>a. relieved b. not relieved</p> <p>Qn 5: Will you show me where you usually experience the pain or discomfort?</p> <p>a. (6 & 11), or (7 & 8).</p>	<p>Option 'a' for both question 3 and question 4.</p> <p>OR</p> <p>Option 'a' for question 5</p>
Asthma	Have you ever been diagnosed with asthma?	<p>Qn 1: Attacks of wheezing or whistling breathing?</p> <p>a. Yes b. No</p> <p>Qn 2: Attack of wheezing that came on after you stopped exercising or some other physical activity?</p> <p>a. Yes b. No</p> <p>Qn 3: A feeling of tightness in your chest?</p> <p>a. Yes b. No</p> <p>Qn 4: Have you woken up with a feeling of tightness in your chest in the morning or any other time?</p> <p>a. Yes b. No</p> <p>Qn 5: Have you had an attack of shortness of breath that came on without obvious cause when you were not exercising or doing some physical work?</p> <p>a. Yes b. No</p>	<p>Asthma=</p> <p>Option 'a' for Qn 1</p> <p>OR</p> <p>Option 'a' for all questions from question 2 to question 5.</p>
Chronic lung disease	Have you ever been diagnosed with chronic lung disease (emphysema, bronchitis, COPD)?	<p>Qn 1: During the last 12 months, have you experienced any shortness of breath at rest? (while awake)</p> <p>a. Yes b. No</p> <p>Qn 2: During the last 12 months, have you experienced any coughing or wheezing for ten minutes or more at a time?</p> <p>a. Yes b. No</p> <p>Qn 3: During the last 12 months, have you experienced any coughing up sputum or phlegm for most days of the month for at least 3 months?</p> <p>a. Yes b. No</p>	<p>Chronic lung disease=</p> <p>Option 'a' for Qn 1</p> <p>OR</p> <p>Option 'a' for both question 2 and question 3</p>

Depression	Have you ever been diagnosed with depression?	<p>Qn 1: During the last 12 months, have you had a period lasting several days when you felt sad, empty or depressed? a. Yes b. No</p> <p>Qn 2: During the last 12 months, have you had a period lasting several days when you lost interest in most things you usually enjoy such as personal relationships, work or hobbies/recreation? a. Yes b. No</p> <p>Qn 3: During the last 12 months, have you had a period lasting several days when you have been feeling your energy decreased or that you are tired all the time? a. Yes b. No</p> <p>Qn 4: Was this period [of sadness/loss of interest/low energy] for more than 2 weeks? a. Yes b. No</p> <p>Qn 5: Was this period [of sadness/loss of interest/low energy] most of the day, nearly every day? a. Yes b. No</p> <p>Qn 6: During this period, did you lose your appetite? a. Yes b. No</p> <p>Qn 7: Did you notice any slowing down in your thinking? a. Yes b. No</p> <p>Qn 8: Did you notice any problems falling asleep? a. Yes b. No</p> <p>Qn 9: Did you notice any problems waking up too early? a. Yes b. No</p> <p>Qn 10: During this period, did you have any difficulties concentrating: for example, listening to others, working, watching TV, listening to the radio? a. Yes b. No</p> <p>Qn 11: Did you notice any slowing down in your moving around? a. Yes b. No</p>	<p>Group A: Score=1 if option 'a' to question 1 Score=1 if option 'a' question 2 Score=1 if option 'a' to question 3</p> <p>Addition of score= score for Group A</p> <p>Group B: Score=1 if option 'a' to either question 8 or question 9 Score=1 if option 'a' to either question 7 or question 10 Score=1 if option 'a' to either question 11 or question 13 Score=1 if option 'a' to either question 14 or question 15 Score=1 if option 'a' to either question 17 or question 18</p> <p>Addition of score= score for Group B</p> <p>Group C: Score=1 if option 'a' to question 6</p> <p>Group D: Score=1 if option 'a' to question 12</p> <p>Group E: Score for Group B + Score for Group C + Score for Group D</p> <p>Group F: Score=1 if option 'a' to question 4</p> <p>Group G: If Score for Group A ≥ 2, AND Score for Group F is ≥ 1, add the score for Score for Group A + Score for Group E</p>
------------	---	---	--

		<p>Qn 12: During this period, did you feel anxious and worried most days?</p> <p>a. Yes</p> <p>b. No</p> <p>Qn 13: During this period, were you so restless or jittery nearly every day that you paced up and down and couldn't sit still?</p> <p>a. Yes</p> <p>b. No</p> <p>Qn 14: During this period, did you feel negative about yourself or like you had lost confidence?</p> <p>a. Yes</p> <p>b. No</p> <p>Qn 15: Did you frequently feel hopeless- that there was no way to improve things?</p> <p>a. Yes</p> <p>b. No</p> <p>Qn 16: During this period, did your interest in sex decrease?</p> <p>a. Yes</p> <p>b. No</p> <p>Qn 17: Did you think of death, or wish you were dead?</p> <p>a. Yes</p> <p>b. No</p> <p>Qn 18: During this period, did you ever try to end your life?</p> <p>a. Yes</p> <p>b. No</p>	<p>Depression= Score for Group G ≥4</p>
